Brand/Description & Code: Spilkleen Oil & Fuel Absorbent Cushion SK-06-201 and SK-06-201-B

Product Application: Suitable for absorbing petroleum based liquids such as lubricants, fuels, vegetable oils and for the selective recovery of oil from water. Hydrophobic properties ensure the cushion will remain buoyant even when fully saturated in oil and continue to repel any water. White in colour.

Product Details

Composition 100% polypropylene
Absorbency capacity per cushion 3.5 litres
Absorbency capacity per pack 70 litres
